**PROPOSED SHARE SUBDIVISION
AND
CHANGE OF BOARD LOT SIZE**

**PROPOSED SHARE SUBDIVISION AND CHANGE OF BOARD LOT
SIZE**

The Board proposes that each of the existing issued and unissued Shares of HK\$0.1250 each in the share capital of the Company be subdivided into ten (10) Subdivided Shares of HK\$0.0125 each. The Shares are currently traded in board lots of 10,000 shares. Upon the Share Subdivision becoming effective, the Subdivided Shares will be traded in board lots of 20,000 Subdivided Shares. The Share Subdivision is conditional upon, among other things, the passing of an ordinary resolution by the Shareholders at the EGM and the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Subdivided Shares and any new Subdivided Shares which may fall to be issued pursuant to the exercise of Share Options to be granted under the Company's Share Option Scheme upon the Share Subdivision becoming effective. The Subdivided Shares will rank pari passu in all respects with each other and the Share Subdivision will not result in any changes in the relative rights of the Shareholders.

GENERAL

A circular containing, among other things, details of the Share Subdivision, the trading arrangements in respect to the Subdivided Shares, the procedure for the free exchange of the Existing Share Certificates, together with the notice of the EGM, will be despatched to the Shareholders on or before 8 October 2015.

PROPOSED SHARE SUBDIVISION

The Board proposes that each of the existing issued and unissued Shares of HK\$0.1250 each in share capital of the Company be subdivided into ten (10) Subdivided Shares of HK\$0.0125 each. The Share Subdivision will become effective upon the fulfillment of the conditions set out in paragraph headed “Conditions of the Share Subdivision” below.

As at the date of this announcement, the authorized share capital of the Company is HK\$100,000,000, divided into 800,000,000 Shares, of which 358,990,124 Shares are in issue and fully paid or credited as fully paid. Assuming that no further Shares will be issued or repurchased after the date of this announcement and prior to the Share Subdivision becoming effective, the effect of the Share Subdivision is set out as follows:

	As at the date of this announcement and before completion of the Share Subdivision	Immediately after completion of the Share Subdivision
Par value of each Share	HK\$0.1250	HK\$0.0125
Number of authorized Shares	800,000,000	8,000,000,000
Authorised share capital	HK\$100,000,000	HK\$100,000,000
Number of Shares in issue	358,990,124	3,589,901,240
Issued share capital	HK\$44,873,765.5	HK\$44,873,765.5

The Subdivided Shares will rank *pari passu* with each other in all respects and the Share Subdivision will not result in any changes in the relative rights of the Shareholders. All necessary arrangements will be made for the Subdivided Shares to be admitted into the CCASS.

As at the date of this announcement, the Company does not have any options outstanding under any share option scheme of the Company or any other derivatives, options, warrants and conversion rights or other similar rights which are convertible or exchangeable into Shares.

As at the date of this announcement, the Company has no intention to have any fund raising activities (excluding normal bank borrowing).

CONDITIONS OF THE SHARE SUBDIVISION

The Share Subdivision is conditional upon:

- (a) the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Subdivision;
- (b) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Subdivided Shares; and
- (c) compliance with the relevant legal procedures and requirements under the Listing Rules and the laws of Cayman Islands (if any) to effect the Share Subdivision.

Application for listing of Subdivided Shares

An application will be made to the Listing Committee of the Stock Exchange for the listing of and permission to deal in the Subdivided Shares and any new Subdivided Shares which may fall to be issued pursuant to the exercise of Share Options to be granted under the Company's Share Option Scheme upon the Share Subdivision becoming effective on the Stock Exchange.

CHANGE OF BOARD LOT SIZE

As at the date of this announcement, the Shares are currently traded in board lots of 10,000 Shares. Upon the Share Subdivision becoming effective, the Board proposes the Subdivided Shares will be traded in board lots of 20,000 Subdivided Shares. The change of board lot size, together with the Share Subdivision, is effected to reduce the board lot value of the Shares. Based on the closing price of the Shares as at the date of this announcement, the current board lot value is HK\$22,200. The change of board lot size to 20,000 Subdivided Shares, together with the Share Subdivision, will reduce the board lot value to HK\$4,440 (calculated based on the closing price of the date of this announcement and adjusted for the effect of Share Subdivision).

The change in the board lot size will not result in any change in the relative rights of the Shareholders or any odd board lots other than those which already exist. The Directors consider that the change of the board lot size together with the Share Subdivision is in the interest of the Company and the Shareholders as a whole.

REASONS FOR THE PROPOSED SHARE SUBDIVISION AND CHANGE OF BOARD LOT SIZE

The Share Subdivision will decrease the nominal value of each Share and increase the total number of shares in issue. The Share Subdivision will result in downward adjustment to the trading price of each Share. The Board believes that the Share Subdivision will decrease the trading spread and thus result in the improved liquidity in trading of the Company's Subdivided Shares. The Board also considers that the change of board lot size will result in subdivided Shares being traded in a more reasonable board lot size and value. Accordingly, the Board is of view that the Share Subdivision and the change in the board lot size will enable the Company to attract more investors and broaden its shareholders' base.

Other than the expenses, including professional fees and printing charges, to be incurred in relation to the Share Subdivision, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Group or the shareholdings, rights and interests of the Shareholders. The Board considers that the Share Subdivision is in the interests of the Company and its Shareholders as a whole.

FREE EXCHANGE OF SHARE CERTIFICATES

The Existing Share Certificates will only be valid for delivery, trading and settlement purposes for the period up to 4:00 p.m. on Monday, 30 November, 2015 and thereafter will not be accepted for delivery, trading and settlement purposes. However, the Existing Share Certificates will continue to be good evidence of legal title to the Subdivided Shares on the basis of 1 Share for 10 Subdivided Shares.

The Existing Share Certificates will be exchanged free of charge for the New Share Certificates for Subdivided Shares between 9:00 a.m. and 4:30 p.m. on any business day from Tuesday, 27 October to Wednesday, 2 December, 2015 (both dates inclusive) at the Company's Hong Kong branch share registrar, Tricor Tengis Limited at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong. It is expected that New Share Certificates will be available for collection within 10 business days after the submission of the Existing Share Certificates for exchange. The New Share Certificates will be pink in color so as to be distinguished from the Existing Share Certificates which are white in color.

EXPECTED TIMETABLE FOR PROPOSED SHARE SUBDIVISION
